

The celestial connection

Love vs. money: Barbara Mackey's illustrated guide to your horoscope for January & February

Taurus
APRIL 21-MAY 21

Monogamy is your middle name. Avoid those who never heard the word. How can money be a problem? You never spend it.

Gemini
MAY 22-JUNE 21

You're sex appeal personified and quite the bon vivant! Sometimes amnesia is good. You would forget how to charge.

Libra
SEPT. 24-OCT. 23

To you, love is like air ... don't hold your breath for anyone. Exhale. What else could go wrong? Never ask that question.

Leo
JULY 23-AUG. 22

You're getting a rash. Eliminate those who get under your skin. Your ship finally came in ... and so did the entire fleet!

Sagittarius
NOV. 23-DEC. 21

Why would I want to share my remote? I have a cat! There will be adventures galore. That pot of gold is making a comeback.

Scorpio
OCT. 24-NOV. 22

Love isn't a game to you. You play for keeps. I spent what? Must be identity theft!

Aries
MARCH 21-APRIL 20

Your possessiveness and domineering behavior are not aphrodisiacs. With your fiery spirit nothing is impossible. New career is dynamite!

Virgo
AUG. 23-SEPT. 23

Talks of a rendezvous and tete-a-tete make you blush with excitement. Extra expenses always give you insomnia.

Capricorn
DEC. 22-JAN. 20

You've seen the light. A hefty income isn't always synonymous with passionate love. No, you will not be penniless by picking up the check.

Cancer
JUNE 22-JULY 22

To you, love is a big pot of homemade chicken soup. You still have that piggy bank ... from grade school?

Aquarius
JAN. 21-FEB. 19

So you fell in love with a conservative? Stop the crying. ... Money is made for spending. People actually save it?

Pisces
FEB. 20-MARCH 20

Your overactive imagination about amore is just that - imaginary. OK, open that homeless shelter.
