

The celestial connection

Love vs. money: Barbara Mackey's gloriously illustrated guide to your horoscope for November

Pisces
FEB. 20-MARCH 20
How can anyone ignore you? Well, don't be so gloom and doom. Finally all those loans are being paid back. See how nice it is to share?

Scorpio
OCT. 24-NOV. 22
Your sign has that dreadful stinger. Manicure it and abstain from getting even. You have finally discovered the use of a credit card for emergency only!

Sagittarius
NOV. 23-DEC. 21
Although you will not admit to vulnerability, your pulse rate is accelerated. Who could compete with someone like you when it comes to spending? You come in first place consistently.

Aquarius
JAN. 21-FEB. 19
Making people feel secure and positive ... has won you the title of Most Popular. Oh ... you weren't aware price tags are there for a reason?

Taurus
APRIL 21-MAY 21
Why do you always feel (lately) you're not loveable? ... Think pink! Your managerial skills have gotten you to the top.

Gemini
MAY 22-JUNE 21
You as the communicator of the horoscope know how to say "I love you" in seven languages. Insisting that your credit line is correct is a game of delusion.

Aries
MARCH 21-APRIL 20
When you enter a room, the electrical wiring in the building is on overload. And turn the fans on. You insist on buying everyone another round at the pub ... magnanimous and going for broke.

Libra
SEPT. 24-OCT. 23
Draw the line. Say no to those who use your energy and good will. New projects make you the star at work. They even put one on your door.

Capricorn
DEC. 22-JAN. 20
You think everyone will take advantage. So they do. Your work ethics are textbook. Teaching economics is your forte.

Cancer
JUNE 22-JULY 22
Well, finally you feel secure and totally in the driver's seat. Try to get back on track. ... Your spending has been emotionally driven.

Leo
JULY 23-AUG. 22
You are the epitome of your sign. The cat! Everyone purrs in your presence. No, it's not all right to consider buying an island!

Virgo
AUG. 23-SEPT. 23
You have the gift of charm. Actually, thinking about opening a school? How can you save when you're the bank of the family?
