

The celestial connection

Love vs. money: Barbara Mackey's gloriously illustrated guide to your horoscope for October

Virgo
AUG. 23-SEPT. 23
You are lovable, so start telling everyone! You worry too much. Have you noticed those warts on your face?

Taurus
APRIL 21-MAY 21
For you, love is as essential as cheese is to pizza. Your purse has holes from all the moths. Get an exterminator or share.

Aries
MARCH 21-APRIL 20
You're definitely a firefly: You light up any relationship. Please find a solution to your "I see, I want" spending doldrums.

Libra
SEPT. 24-OCT. 23
Why try to convince the unconvinced? It's their loss. You're going all the way. Keep up the momentum.

Cancer
JUNE 22-JULY 22
Nobody loves an "I always do everything" attitude. You can make your money grow with a little topsoil.

Sagittarius
NOV. 23-DEC. 21
You have an odd habit: You ignore flirtatious people. Saggies have more money ideas than a telephone book has numbers.

Pisces
FEB. 20-MARCH 20
The fish is drowning in its woe-is-me attitude. Lately, work is your getaway.

Aquarius
JAN. 21-FEB. 19
Trustworthy and cause-worthy aren't synonymous. You are the original proponent of "He ain't heavy, he's my brother."

Scorpio
OCT. 24-NOV. 22
All you have to do is "show up," and love will be waiting. Is it really necessary to go to every sale?

Capricorn
DEC. 22-JAN. 20
Dating is your form of networking for new business. Why insist on getting a written receipt from your mother?

Gemini
MAY 22-JUNE 21
How can you hear someone's pillow talk when you keep talking? Pick up those checks! You'll be so popular.

Leo
JULY 23-AUG. 22
Everyone loves the lion - and the lion loves everyone. It's not necessary to be friends with your employees. Everyone hates the boss.
